

Hadil Naili

License in Electronics, Electrotechnics and Automatic

✉ hadilnaili553@gmail.com 📞 28363854 📍 Nabeul, Menzel Bou Zelfa, 8010 tunis

Profile

A student in electronics, electrotechnics, and automatic, specializing in industrial computing, with strong theoretical and practical knowledge acquired at the Faculty of Sciences of Gabès. Passionate about technological innovation and solving complex problems, I am skilled in programming, embedded systems, and process automation. Serious, dynamic, and motivated, I aim to leverage my skills to contribute to a company's technical challenges and development

Employment

Worker

Jul 2022 - Oct 2022

cable company, Nabeul bni khalled

- Use of specialized machines and tools to cut, prepare, and connect cables.
